Rotorua Mail Centre 3040  
Phone: 07 346 1492  
Fax: 07 346 1493

<b>Week 1</b> HHP1Psalm 119:11	I have hidden Your word in my heart so that I won't sin against You.
<b>Week 2</b> Joshua 1:8	Never stop reading this Book of the Law. Day and night you must think about what it says. Make sure you do everything written in it. Then things will go well with you. And you will have great success.
<b>Week 3</b> Joshua 1:9	Here is what I am commanding you to do. Be strong and brave. Do not be afraid. Do not lose hope. I am the LORD your God. I will be with you everywhere you go.

Well it is the start of our second week back at school in 2017 and what a wonderful time we have had beginning with our Powhiri to welcome our new students and their families. As we watched the 40 plus manuhiri walk through the doors into the auditorium we felt excited and blessed! We were receiving young people from Te Arawa, of NZ European heritage and from right across the world. It was a blessing to welcome Isha and her three children Monica, Lilly and Bruno on this occasion. They are with us for the first three weeks of school and we love having them here with us. We have also received younger brothers and sisters of past students and this is an encouragement to us as we deeply value the trust parents give us when they enrol their son/daughter. We realise that God has given us the incredible privilege of journeying with and seeking to equip young people who will impact many in our own nation and beyond!

We are absolutely thrilled to see how our existing young people have wrapped right around our new students and how quickly everyone is settling into our Chapman College whanau. Having Jayden, Jordyn and Lauren all return to support us in the Powhiri even though they are now moving to new school contexts blessed us hugely. Once again reminded us that "once a member of the Chapman College family/whanau ALWAYS a member! You just simply cannot fall out of family!" The Meet the Teacher evening will be on Thursday night and we are looking forward to face to face opportunity to engage and connect fully with each of you.

This year as mentioned we are focused on Leadership and 'Learning to Lead' is our overall catchphrase for 2017. Leadership is such a fascinating subject since we see all manner of leadership styles, personalities, vision, passion, authenticity and impact on individuals, communities, nations and the world. Leadership can sometimes be relegated as only for the few however there is no doubt that every life has significance, purpose and impact and there are no little people in God's eyes. Having our young people catch the vision for just what is possible because of who God has created them to be, their unique gifts and talents and understanding how they can lead and serve opens up new horizons. Watch this space! As the year unfolds be assured that there are exciting things ahead in our teaching and learning programme! We have deliberately elected to begin with the Scriptures which show the importance and place of the Bible in providing the compass for us to stay on course as leaders.

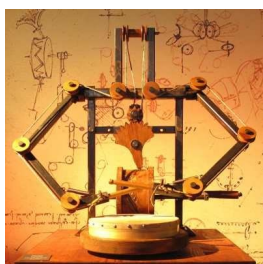

PTO

May this year be one in which we marvel at the continuous faithfulness of our God in this place and may there be many occasions when we pause and express our thanks for God's goodness to us. As the year unfolds, may we continue to build a tightly committed Chapman College family who make a difference in this community of Rotorua and beyond as we take the opportunities and initiative to serve God and those around us. Go Chapman College!

With love always

Hazel Warnes—Principal

	SCHOOL DIARY

Sunday 2nd		Daylight savings ends
Tuesday 11th	All day	CBOP Swimming sports
Wednesday 12th		Easter Service

### Da Vinci Exhibition

**Room 7 Years 4-6 Tuesday 14<sup>th</sup> February 9am -12 midday**

**Rooms 3 and 4 Years 7-10 Thursday 16<sup>th</sup> February 9am-12 midday.**

Our students will be transported to and from the exhibit at the Sir Howard Morrison Performing Arts Centre via the Museum Bus which is a service provided by Ngati Whakaue to local schools. We are so appreciative of the investment they make in education in our region.

### Open Communication and Connection

**Please keep your son/daughter's teacher informed** regarding anything you feel they need to know which will assist you to understand and serve your son/daughter's holistic needs more effectively. We recognise that you are the experts on your child and want to learn ALL we can about who they are, their interests, strengths, concerns or any issue which do surface from time to time. We are fully committed to your son/daughter's well-being and to seeing them grow and thrive!

## PAT Assessments-Weeks 5 and 6 (between 27<sup>th</sup> February and 9<sup>th</sup> March)

# Progressive Achievement Tests

We will be taking a range of assessments over the first 6 weeks of Term 1 with our PAT assessments happening in Week 5 and 6. Ideally (and we do understand that the unexpected does happen) if we can have all of our students (Year 3-10) present in Week 5 the majority of our testing can be undertaken in this week.

We have set aside the second week in the event that we have some absentees. Can we ask that as far as possible you make any dental or medical appointments in the afternoon of those of weeks as we will aim to take the PAT assessment in the morning block before morning tea and or before lunch. Assessment results are fully analysed and give us as teachers excellent information as to where your son/daughter is and how to best target their learning needs. Towards the end of the Term we will schedule a meeting with your child's teacher so that you are kept fully informed of your child's progress and learning goals.

## Orienteering

We would really love to be able to teach our Junior Secondary young people how to orienteer using a compass. If there is any parent with Orienteering knowledge and skills we would be thrilled to hear from you and to book you in for a teaching session.

Please just contact Mrs 'Alofi and let her know if you are available. We know there is an Orienteering Course in the Redwoods so it would be wonderful to then be able to take our Junior Secondary students there to practise their skills.

## Rotations

Our Junior Secondary Rotations Programme **begins in Week 3 on the 15<sup>th</sup> February.** The Junior Secondary students are truly looking forward to that.

We are so grateful for our Rotations teachers and for the expertise they bring into our school context. The **Wood Technology students need to remember to have closed in shoes** and to have hair tied back securely for health and safety reasons.

CHAPMAN  
COLLEGE

Seineleva and Tonga Faletau

## Welcome to our new students

God is providing students from many nations to join our Chapman College whanau. We are so grateful for those of you who were able to join us for a powerful Powhiri on our first day, to welcome our new students, especially those from Tonga and South Korea. We are expecting more families to come from England, France and South Africa. How wonderful to have such a wealth of cultures in our midst.

Lilly, Monica, Jessica and Tessa

Mrs Stokes and Bruno

Morning tea conversations

MEET THE TEACHER  
≡ POTLUCK DINNER ≡  
THURSDAY 9TH FEBRUARY 2017  
5:30 TO 7:30PM  
AT CHAPMAN COLLEGE  
(IN THE LIVING WELL CHURCH CAFÉ)  
DINNER STARTS AT 5:45PM  
*Please bring dinner to share*

Come along and bring dinner to share on Thursday evening starting at 5:30pm. This is an excellent opportunity to meet other parents, form new friendships, strengthen existing friendships and spend time with your son/daughter's teacher. The teachers will outline their expectations, routines, homework requirements, communication and the teaching and learning programme plan. Our teachers are committed to serving the best interests of your son/daughter and you may be assured that this remains at the forefront of every decision we take and all that we do. If you have ANY questions for your child's teacher please do NOT hesitate to contact them as open communication and strong relationship between you as parents and us is KEY to optimising success.

## Pick up and drop off Zone

Please remember to drop your children off by 8.30am to allow them time to hang up their bags and be ready for the day. The bell rings at 8:40am. Please ensure your child/children arrive on time for the school day. If late they **MUST** report to Mrs Stevenson in the office when they arrive before going to their class.

Children need to be collected between 3.15pm and 3.30pm.

ALL Room 1 children and their siblings will be collected from the front car park as this eases traffic flow and keeps our children safe.

## Uniform

Students are expected to wear FULL school uniform to and from school. PE gear is required for PE and is best kept in their bag every day. The way we wear our uniform is an outward expression of a heart attitude.

May we ask that you name every item of uniform as it is SO much easier to track missing items and believe it or not it does seem to go walk about as it is left in odd places e.g. beside the soccer goal, in the corridor, under a desk and all manner of other places! How this happens only Mr Nobody seems to know!

Hats are **ESSENTIAL** and if there is no hat then that particular morning tea or lunchbreak does need to be spent under shade which dramatically restricts options for playing with friends. Of itself it seems to be a consequence which ensures rapid memory!

Summer certainly came in force on Sunday and Monday so sunscreen application is vital. It may be applied before school and can be re-applied before lunch. We do have sunscreen available at school too, for those who need it.

*Please NAME  
ALL uniform  
items clearly.*

**Please note:** Winter uniform is worn in Term 2 and Term 3, families will need to prepare for this, especially our new families. Girls in particular will need to be measured up during February/March for winter pinafores, kilts, and blouses depending on their age and needs. The earlier the better, as this allows for orders to be sent off. The uniform shop is open on Tuesday 9:00am to 3pm.

# CHAPMAN COLLEGE

## TERM 1 PRAYER REQUESTS

### ≡GIVE THANKS FOR≡

GOD'S AMAZING PROVISION  
AND OUR NEW FAMILIES

WONDERFUL SAFE, RESTFUL  
AND RELAXING HOLIDAYS

THIS LAND OF NEW ZEALAND

### ≡PLEASE PRAY FOR≡

PROTECTION FROM THE ENEMY'S  
SCHEMES ≡ISAIAH 54:17≡

WISDOM FOR THIS SEASON  
OF OPPORTUNITY AND THE NEXT STEP  
OF THE VISION

BETHLEHEM COLLEGE APPLICATION  
TO M.O.E REGARDING CHAPMAN COLLEGE

**THANK YOU FOR PRAYING  
FOR CHAPMAN COLLEGE**

We hope you have received your Prayer Fridge Magnet (if not, have a search in your son/daughter's school bag or contact the office for another one).

We appreciate your support in prayer!!

## MUSIC PRODUCTIONS

### GUITAR LESSONS

Learn a range of  
styles and  
techniques for a  
range of abilities

### AUDIO PRODUCTION

Learn the ropes for  
music production and  
industry recording  
techniques.

### MUSIC THEORY

Develop an  
understanding of  
music theory and  
how it is applied  
practically in all  
aspects of music.

### BAND ADVICE

Get guidance for  
your band, not only  
your live and studio  
work, but also  
industry advice.

## Contact

**Jared Stevenson** BMA | Grad Dip Tchg

facebook.com/JSMusicProductions/

## Music Lessons

You may or may not be aware that we have a couple of different Music teachers who are available to give private Music Lessons.

Miss Kathryn Lauder 022 3076747 teaches piano

Mr Jared Stevenson 0273939046 teaches guitar - should you wish to make contact with these teachers.

Lessons may be facilitated during school time if you wish this to be the case or you may arrange your lessons outside school hours should that be your preference.

## The National Immunisation Schedule

**immunise**  
our best protection

Age	Disease to protect against	Vaccine
<b>6 Weeks</b>	Rotavirus (start first dose before 15 weeks) Diphtheria + tetanus + whooping cough (pertussis) + polio + hepatitis B + <i>Haemophilus influenzae</i> type b (Hib) Pneumococcal disease	RotaTeq® (oral) INFANRIX® hexa PREVENAR 13®
<b>3 Months</b>	Rotavirus Diphtheria + tetanus + whooping cough + polio + hepatitis B + <i>Haemophilus influenzae</i> type b (Hib) Pneumococcal disease	RotaTeq® (oral) INFANRIX® hexa PREVENAR 13®
<b>5 Months</b>	Rotavirus Diphtheria + tetanus + whooping cough + polio + hepatitis B + <i>Haemophilus influenzae</i> type b (Hib) Pneumococcal disease	RotaTeq® (oral) INFANRIX® hexa PREVENAR 13®
<b>15 Months</b>	<i>Haemophilus influenzae</i> type b (Hib) Measles + mumps + rubella Pneumococcal disease	Act-HIB® M-M-R® II PREVENAR 13®
<b>4 Years</b>	Diphtheria + tetanus + whooping cough + polio Measles + mumps + rubella	INFANRIX® IPV M-M-R® II
<b>11 Years</b>	Tetanus + diphtheria + whooping cough	BOOSTRIX®
<b>12 Years</b>	Human papillomavirus (HPV) (girls only)	GARDASIL® (3 doses over 6 months)

This resource is available from [health.d.govt.nz](http://health.d.govt.nz) or the Authorised Provider at your local DHB. Revised July 2014. Code HE1308

If your child is in **Year 7 or 8** they'll be offered important **free** immunisations at school. These will help protect them against a wide range of diseases and will also help protect your whānau and our community. Ask your child for the consent form they've been given for you to read, sign and return to school.

For more information:

visit [health.govt.nz/immns-older-children](http://health.govt.nz/immns-older-children)  
or call **0800 Immune**

New Zealand Government

Just wanted to shout out a great big **THANK YOU** to this gorgeous and amazing couple Wayne and Amanda Steer who support our school in many ways. Their precious son, Ben comes along to Chapman College and is in Room 7.

Wayne and Amanda put aside time at the busy end of the year to shampoo our entire school carpet (yet again). Wayne also assisted with Room 3 inquiries last year and we just wanted them to know they are much appreciated. Note: They don't usually dress this formally when cleaning carpets!!

We are grateful to **ALL** our school parents who support us in **SO** many ways!
