<b>Week 10</b> <b>Matthew 20:</b> <b>Verses 25 &amp; 26</b>	Jesus called them together. He said, "You know about the rulers of the Gentiles. They hold power over their people. Their high officials order them around. Don't be like that. Instead, anyone who wants to be important among you must be your servant."
<b>Week 11</b> <b>Mark 10:45</b>	"Even the Son of Man did not come to be served. Instead, he came to serve others. He came to give his life as the price for setting many people free."

#### Dear Chapman Whanau

These Scriptures are perfectly timed to remind us of how Jesus spoke and lived the nature of a servant leader. He modelled biblical leadership completely and it was characterised by HIS obedience to His heavenly father and by His love, sacrifice and service. We are approaching Easter and remember the cost Jesus paid for our sin; the sin that breaks relationship with God. May we enter Easter with grateful hearts for the love God extended through the birth, death and resurrection of His only son, Jesus, and the price paid so that grace could be offered to us. The choice to accept or reject lies with us.

It is so encouraging for us to see young people serving without being asked and taking the initiative to do so. Whether it is an up-front or behind the scenes role our Chapman College community works because each person plays their unique part. Our recent Powhiri was an excellent example of this from set up through to pack down in the Auditorium and no one role was in any way more important than another. Each was evidence of faithful service and of servant leadership in action. Recently we had our first assembly with our Worship band and it was wonderful to see how they had set themselves up during the lunchtime break and how each member took their role and shone as they used their talents to serve.

We hope that our young people can grasp what servant leadership really means as we know it flies in the face of what the world promotes. It is however the essence of godly leadership and values every person and their part. People are so often overlooked for the faithful service given over years and this is the very reason that we have our school, Chapman College. Very soon we will be seven years old and we have many volunteers who began with us 10 years ago and who are still quietly making things happen in this place. We are constantly seeing more people join our community and we marvel at the strategic timing of their arrival and the wonderful abilities they bring.

## Parent/Teacher Conferences

We appreciate your coming in for the Parent/Teacher Conferences and the time that we spent together looking at the assessment information collected throughout this term, and at the next learning steps involved to progress literacy and numeracy. Travelling together makes a young person's success a reality and there is no doubt that you and we are fully committed to seeing your son/daughter fly! Mrs Stevenson has done a wonderful job for us in collating and scheduling appointments. Thank you Mrs Stevenson!

## NAU MAI HAERE MAI

### Easter Service

This is a special event in our calendar and we would really love you to join us as it is a special family occasion!

This year we have all of our young people taking part in one way or another and we have Mr Philip Brown as our Easter Service speaker.

The service will be held at  
Fenton Park Bible Church.  
40 Ward Ave  
Fenton Park, Rotorua

We apologise for the change of

We had three students qualify for and compete in this event. Congratulations to **Nadia Cooper, Tara Isaacs and Israel Warnes** for their achievement. Well done!

### Inter-Christian School Athletics at Porritt Stadium

We were all disappointed that this event didn't take place but as Shaun Hurlow, the Principal of SDA in Hamilton said, the weather won the day! Even the Cricket had to be cancelled so it was definitely the right call. Thank you so much to ALL the parents who offered to drive our athletes which would have allowed us to take 43 competitors! We definitely would have been a force to be reckoned with. Hopefully it will happen next year!

### AFFINITY

Try to make time to visit Rotorua's city centre area over April to experience a large installation called Affinity. The dramatic and emotive installation is best viewed at dusk as it takes the form of a light sculpture activated by human touch. It is of both artistic and social interest as it explores the effects of dementia. Affinity will be in Rotorua's City Focus from 3-23 April, and will be active from dusk to 10pm each evening.

### Small Sticks

Our very first student session took place yesterday for Years 3-6 and then for Years 7 & 8. Jamie from the NZ Hockey association coached our students and supporting our staff to refine their hockey teaching skills. We look forward to developing hockey skills and to young people growing to love the game of hockey.

### Orienteering

Three amazing Dads have offered to teach orienteering so we are going to organise the opportunity for Term 2. Exciting!

### Parent Help

If you would like to help in our office, library, or in classrooms feel free to let your son/daughter's teacher know. We are always so grateful for the many

Friday as we have Staff Meetings on Mondays and on Fridays we try to encourage staff to leave earlier. The Homework class is only for those who have communicated and made a specific arrangement with Mrs Warnes approval.

### Pick up and drop off Zone

Please remember to drop your children off by 8.30am to allow them time to hang up their bags and be ready for the day. **Children need to be collected between 3.15pm and 3.30pm.** ALL Room 1 children and their siblings will be collected from the front car park as this eases traffic flow and keeps our children safe.

**Please do NOT park in the carparks outside the Living Well Church Offices** as backing from there is a real Health and Safety issue and we do not wish anyone to end up with some unnecessary dents in the front or rear of their car. If we ask you to move your vehicle please understand it is in the interests of safety for your child that we do this.

### Uniform

ALL children will come back into Term 2 wearing full Winter Uniform. Please NAME every single item of uniform including those elusive socks and the shoes! You would be amazed at how socks can walk ALL by themselves and completely disappear! Please see our website for information about uniform requirements.

**IMPORTANT:** Please make sure we have current address details for you, so we can send end-of-year tax receipts to the right place!

### Chapman College rep sports tops

If you have one of our Chapman College sport tshirts

House sitter wanted for an amazing log chalet in Rotoiti, from early May to the end of July.

There is a dog and some chickens to take care of.

We welcome four new members to our PTA-Vivienne Parker; Jesse Parker; Anelda Venter and Cheney Goodchild.

There are creative and wonderful ideas flying—so watch this space Chapman College whanau!
