| <b>Week 8</b><br><b>Proverbs 29:2</b>           | When those who do right grow stronger, the people are glad. But when those who do wrong become rulers, the people groan.   |
| <b>Week 9</b><br><b>Peter 5:3-4</b>             | Don't act as if you were a ruler over those under your care. Instead, be examples to the flock. The Chief Shepherd will come again. Then you will receive the crown of glory. It is a crown that will never fade away.   |
| <b>Week 10</b><br><b>1 Peter 5:5HH1 Peter 1</b> | In the same way, I'm speaking to you who are younger. Follow the lead of those who are older. All of you, put on a spirit free of pride toward one another. Put it on as if it were your clothes. Do this because Scripture says, "God opposes those who are proud. But he gives grace to those who are humble." |

## Dear wonderful Chapman College parents,

In our house we dragged ourselves out of bed to watch the first two races of the America's Cup. There are no sailors in our family but four extremely enthusiastic spectators and supporters of Team NZ. Watching those catamarans fly through the water and seeing the stress on those foils is enthralling. However, the boat with all its amazing technology pales into oblivion and we are riveted to the crew and the way in which they operate. Each one grooves into his place and is passionately committed to stay the course. The vision is clear the purpose certain and the focus total. There is no going back, no opting out and no easy way to complete the distance. It takes grit, courage and dogged determination without which the journey cannot be completed. With subtle and sometimes unpredictable wind shifts it is necessary to respond effectively and without loss of focus or peace. This is a great picture to me personally of what God calls us to here at Chapman College. Steady hands on the helm, focus on our compass, God and commitment to work together to stay on course.

I love the pictures and analogies we are given as there are so many lessons embedded within them on how to do life and be a committed Chapman College community. Recently some of beautiful Junior Secondary young people have been writing notes of encouragement on the small whiteboard as you enter school. I smile at their messages of positive encouragement to be and live whanau in our context. Such a blessing! With love always

Hazel

***"Gone, but not forgotten".***

It's hard to believe that we now have 2 weeks left before the end of term. Where has the time gone? Currently we are writing school reports and are delighted to be sharing with you how your children are learning and celebrate their progress. Reports will be issued on the last day of Term 2 and we trust they will be a blessing to you and to your son or daughter. Our Reports have been produced using Microsoft Publisher this year as we are still developing a new Report for our KAMAR school management system.

Welcome to our newest whanau member

# Congratulations

to the Kahu family on their newest addition and third son Abel Jaxson Nakoa Kahu. Elijah is a big brother again!! I have a special report from Nanny Tanya that he is the PERFECT baby. Well done whanau.

## Pray for Chapman College

Thank you for continuing to pray for Chapman College as we wait upon the Lord, for His perfect plan to come to pass.

### Miss Michelle Wynne

It is with much sadness that we have recently received Michelle's resignation effective from the end of this term Friday 7th July. Michelle has positively impacted every life she has come into contact with student, colleague and parent alike. Michelle tirelessly believed in the Vision of Chapman College, loved! served and championed each one of us and has often been an anchoring presence in our midst getting the behind the scene jobs done and standing in the gaps as and when we needed someone.

The stunning musical items we have enjoyed, the French lessons, the precious notes of personal encouragement are a few of the ways she has blessed us. Far above these are the loving investments in lives, done with such sensitivity and grace. There is NO doubt we are ALL richer because of Miss Wynne. Please take the opportunity over these next two weeks to speak or write to Michelle as it is our desire to express our love and honour her.

Michelle will be staying in Rotorua until the end of this year and she is looking forward to the next season God is preparing her for and calling her to. We hope to sometimes have Michelle relieving in the coming months and of course as we always say "Once a member of the Chapman College whanau always a member!" So Miss Wynne, you ARE a keeper and we hold you in our hearts!

### MATARIKI STAR SEARCH 2017

Behind the scenes we have had two of our gorgeous young ladies showcasing their talents at the Matariki Star Search held at the Rotorua Library last week.

Rubina Royal-Hepi and Chardae Ewing sang beautifully and drew Judges accolades not only for their singing but also for their character and the humility they carried themselves with.

**Go Rubina and Chardae- we are proud of you!**

## ANTSHILLVANIA

It is now importANT to begin to formalise assistANTS for our Chapman College production. We need help to sew costumes, do make up, sell tickets, make props, work sound etc. so if you think you have talent in any of these areas or if you are simply willing to learn, then we need YOU! The only way we can pull this off at the end of next Term is to have your help. Your son or daughter will be bringing home a slip regarding helping and we would love you to fill it out and return it to school as soon as possible.

**This has the potential to be a magnificANT show!**

## **Chapman College Cross Country-Friday 16<sup>th</sup> June**

This was a fabulous event for us all on Friday 16th June. Our runners ran with passion, purpose and perseverance. We have some running stars and the Cup Winners for 2017 are as follows:

Samuel Venter and Ryno Nieuwoudt year 1-3 Boys  
Danica Knobel Year 1-3 Girls  
Isaac Ryan year 4-6 Boys  
Keziah Knobel year 4-6 Girls  
Jesse Mutton year 7/8 Boys  
Tara Isaacs year 7/8 Girls  
Tonga Faletau Year 9/10 Boys  
Promyss Pitman Year 9/10 Girls

Congratulations to our winners and to ALL our runners who have trained so faithfully over the past 6 weeks in readiness for this event. We had a number of beautiful expressions of kindness and support over the afternoon with some of our Tuakana-older students running with the Teina-younger students to cheer them on and help them finish. Heart-warming indeed!
